# Polling Place Assignments

- When voting precincts change it is difficult to track polling place changes.
- Particularly after the decennial census when all of our voting precincts get renumbered.

## Voter Impact

- What we really want to figure out is if voters are going to the same polling place.
- So, we compared the facility number assigned to the voter for the upcoming Primary Election to the facility number for where they voted in the General 2010.
- For those voters where the number is DIFFERENT, did they have a change to their voter registration in that time period (IE they moved)?
- The remaining voters are impacted.
- But how many are on the PEVL?

# Voters & Their Polling Facility Post-Redistricting

# Consider

- In any given election the number of voters who move, do not update their registration, go to the correct polling place (even though they didn't get their sample ballot listing their new polling place), and vote a provisional ballot (which updates their voter registration information) is **TRIPLE** the number of voters who cast ballots in the wrong polling place.

# Wrong Polling Place Analysis

- We did a thorough analysis of voters who went to the wrong polling place and cast ballots in the last Presidential Election.
- It happens across the entire county, but commonly in areas of growth:

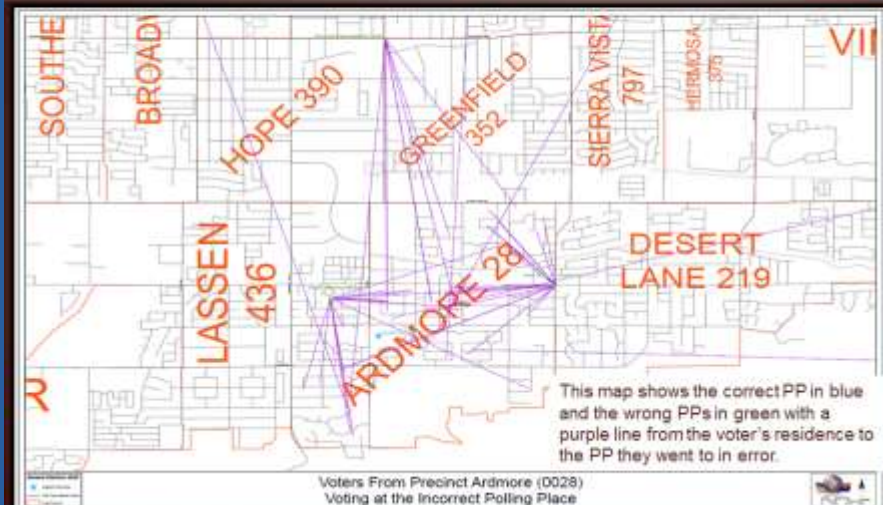

# It isn't necessarily tied to when polling places change:

PRCCD	PRECNAME	# of voters who voted elsewhere	Change from in wrg PP	Change from Gen Primary?	2006?	PP turnout	% who went elsewhere
1015	SOLEIDAD	56	NO	NO		753	7%

Voters From Precinct Soledad (1015)  
Voting at the Incorrect Polling Place

PRCCD	PRECNAME	# of voters who voted elsewhere	Change from in wrg PP	Change from Gen Primary?	2006?	PP turnout	% who went elsewhere
28	ARDMORE	31	NO	NO		802	7%

Voters From Precinct Ardmore (0028)  
Voting at the Incorrect Polling Place

# Summary

- Even after we have our “final” list of polling locations things can change.
- We had some facilities deny due to new management or they change their mind.
- We found a facility within a precinct so moved voters who were formerly going outside the precinct. &
- We had 2 administrative errors that we caught (good time to do so, before voter notifications went out).

- In Tempe we consolidated Tempe 7 & Tempe 14 into the Victory precinct, they should have been assigned to the St. Margaret's Catholic Church but were assigned in error to the Cascade MHP.

- Although the MHP is more centrally located, the church has huge parking lots that will benefit voters on Election Day.
- In 2009 voters in the area worked to ensure that the church was used and the church made many structural improvements to ensure ADA compliance.

# 1 is Too Many

- 1 voter going to the wrong polling place and casting a ballot that doesn't count because they are in the wrong place is too many.
- Help educate voters by:
  - Including the polling place locator link on emails:

[www.recorder.maricopa.gov](http://www.recorder.maricopa.gov)

# 1 is Too Many

- Remind voters that their polling location will be listed in red ink on their Sample Ballot & changes will be mailed on a neon postcard.
- If voters have moved, direct them to the polling place for where they NOW live, not their old location.

The image shows a sample ballot and a neon postcard from Maricopa County Recorder Elections. The document is titled "SAMPLE BALLOT BOLETA DE MUESTRA" and includes instructions for voters. It features a map of Phoenix with a red dot indicating the polling location at St. Mark's Catholic Church. The document is printed on a neon postcard, which is a key feature mentioned in the text.

# Electioneering @ the Polls:

- There were more statutory changes to electioneering that will be in play for the Primary Election for the first time.
- Here is how we are covering it in Bilingual Class:

**NOW THAT YOU KNOW WHAT IS ON THE BALLOT,**

**Lets talk about the Electioneering**

# The law has changed (AGAIN!):

F. NOTWITHSTANDING ANY OTHER LAW, AN ELECTION OFFICIAL, A REPRESENTATIVE OF A POLITICAL PARTY WHO HAS BEEN APPOINTED BY THE COUNTY CHAIRMAN OF THAT POLITICAL PARTY OR A CHALLENGER WHO IS AUTHORIZED BY LAW TO BE WITHIN THE SEVENTY-FIVE FOOT LIMIT AS PRESCRIBED BY THIS SECTION SHALL NOT WEAR, CARRY OR DISPLAY MATERIALS THAT IDENTIFY OR EXPRESS SUPPORT FOR OR OPPOSITION TO A CANDIDATE, A POLITICAL PARTY OR ORGANIZATION, A BALLOT QUESTION OR ANY OTHER POLITICAL ISSUE AND SHALL NOT ELECTIONEER WITHIN THE SEVENTY-FIVE FOOT LIMIT OF A POLLING PLACE.

~~F.~~ G. Any person violating this section is guilty of a class 2 misdemeanor.

~~G.~~ H. For the purposes of this section, ~~÷~~—

~~1. "Electioneering" means a demonstration of express~~ ELECTIONEERING OCCURS WHEN AN INDIVIDUAL KNOWINGLY, INTENTIONALLY, BY VERBAL EXPRESSION AND IN ORDER TO INDUCE OR COMPEL ANOTHER PERSON TO VOTE IN A PARTICULAR MANNER OR TO REFRAIN FROM VOTING EXPRESSES support for or opposition to a candidate who appears on the ballot in that election, a ballot question that appears on the ballot in that election or a political party with one or more candidates who appear on the ballot in that election. ~~, and includes any use of a candidate's or political party's name or a ballot measure's name or numeric designation and any verbal expressions of opposition or support.~~

~~2. "Electioneering materials" means written or printed material or items, including articles of clothing, that express support for or opposition to a candidate who appears on the ballot in that election, a ballot question that appears on the ballot in that election or a political party with one or more candidates who appear on the ballot in that election.~~

- So, voters can wear anything they want when they are in the polling place to vote, but they cannot TELL people who to vote for:

# This doesn't change the reasons why someone can be within the 75 feet:

- To vote.
- To assist someone in voting.
- To work the polls (boardworkers & troubleshooters).
- As an official observer (political parties & DOJ).

# IMPORTANT DATES:
